

Baltimore, Md., August 16, 1915.

Pursuant to a call by the Governor, the Board of Public Works met at its office in the Garrett Building, Baltimore, at two thirty o'clock in the afternoon, August 16, 1915.

Present: Governor Goldsborough and Treasurer Vandiver.

Upon motion duly made and seconded, it was

RESOLVED, that W. B. Wilkinson, State Tobacco Inspector, be and he is hereby authorized and instructed to rent or otherwise provide proper and sufficient storage for all the State tobacco that may be sent or delivered to him for storage, when or as the tobacco warehouses owned by the State shall become of sufficient capacity to take care of the same.

The Secretary of the Board of Public Works submitted to the Board the following letter from Alonzo Underwood:

"July 8, 1915.

Mr. Robert P. Graham,

Secty' Board of Public Works,

Title Bldg., City.

Dear Sir:-

In reply to your inquiry of July 2, 1915, referring to the permission asked by the Gas and Electric Company to plant a pole on the S/S driveway north of Mosher Street, beg to advise that I have had this matter up with the Gas and Electric Company and have requested that they plant a 45' pole to give ample clearance for a load of hay driving into this driveway which they have consented to do.

Very truly yours,

-signed- Alonzo Underwood.

WHEREUPON the Governor was requested to write to the Consolidated Gas, Electric Light & Power Company that the consent of the Board would be given to the said Consolidated Gas, Electric Light & Power Company to plant a pole on the property of the State at the Western Hay Scales, provided it would be 45'

8-16-15

pole sufficient to give ample clearance for any load of hay which may use the drive way.

There being no further business before the meeting, it adjourned.

Robert S. Chapman

Secretary.
